Rational Numbers

Frayer Model

Directions: Write the word “Rational Numbers” in the middle circle of the box. Look up the definition in the textbook and write what it means in your own words in the top left box. In the top right box, write some facts or characteristics about rational numbers. Next you will find some examples and non-examples of rational numbers. In the bottom left box write examples, and the bottom right box write non-examples.

Definition (in own words)	Facts/Characteristics
Examples	Non-examples
