

LINCS Strategy

Steps:

Step 1: **L** - list the parts.

- The vocabulary term
- Definition in your own words

Step 2: **I** - identify a reminding word.

- Word that sounds like part of the new term
- Is a familiar word with a meaning you know

Step 3: **N** - note a LINCing story.

- Includes the reminding word and the definition
- Helps you remember the definition

Step 4: **C** - create a LINCing picture.

- Helps you remember the definition
- Always contains something about the reminding word

Step 5: **S** - self-test

- Forward to recall the definition
- Backwards to recall the new term
